

PSA CLUB SERVICES: CLUB PROGRAMS

“Celebrating 75 Years of PSA” by Elena McTighe, APSA, PSA Publications Vice President

“Celebrating 75 Years of PSA” is a thirty-minute show reviewing the history of PSA. This program was first presented at the 2009 PSA 75th Anniversary Conference in Yellowstone.

The program is on a CD in .exe format, which should play on any computer. There are no fees; however, please contact: support@psa-photo.org at least three weeks before the program will be needed by your club. This will allow you to find out if there is a copy in stock and provide your club the opportunity to receive the CD early enough to have time to make sure the program works properly with your club’s equipment. Please include the date your club needs the program and the name and address where it should be mailed.

Length ~ 30 minutes
